ABOUT

The city of Zurich, a world center for banking and finance, lies at the north finish of Lake City in northern European nation. The picturesque lanes of the central Altstadt (Old Town), on either aspect of the Limmat stream, replicate its pre-medieval history. City district promenades just like the Limmatquai follow the stream toward the 17th-century Rathaus.

Zurich one in every of the foremost idyllic of Swiss cities – is additionally one in every of the largest. It's encircled by spectacular nature and also the close Alps, engaging folks with their natural beauty. However these aren't the sole reasons why it's completely different from all the opposite Swiss cities.

Zurich town homes quite 12 Museums and a few of them area unit most famed like Kunsthaus Zürich, Swiss National repository, Rietberg Museum, repository of style etc.

Zurich is one in every of the most important lakes in Switzerland covering the realm of 88.66 sq. kilometers. Night view of the lake is incredibly fascinating; it attracts tourist from everywhere the globe.

The tower of St. Peter had been for hundreds of years Zürich's 'official native time', and every one public town clocks had to adapt to that. The church clock of St. Peter has the most important tower face in Europe.

The zoological garden Zürich could be a zoological garden settled in Zürich, Switzerland and is taken into account together of the most effective zoos in Europe. Opened in 1929, it accumulated a set of 2,200 specimens of three hundred species by its 75th year. It's settled on Zürichbergstrasse, on the lower reaches of the Zürichberg within the Fluntern quarter.

The Chinese Garden may be a Chinese garden within the Swiss town of Zürich. It's a present from Zürich's Chinese partner city Kunming, dedicated to the 3 friends of Winter.

The Garden's major goal is to supply a scientific illustration of the world's flora. At present, some 8,000 completely different styles of plants will be found on the grounds. The new installation was inbuilt 1976; the previous installation at Schanzengraben continues to be maintained as a public park.
