3rd Global Experts Meeting on Frontiers in Nursing Education & Practice

Theme: Nursing is Caring

June 15-17, 2020
Zurich, Switzerland

Venue & Location
Novotel Zürich Airport Messe
Lindbergh-Platz 1, 8152 Glattpark
Zurich, Switzerland

Frontiers Meetings Ltd
Regus House, Victory Way, Admirals Park, Crossways
Dartford, Kent, DA2 6QD, London, UK
Ph: +44 2034554929

SCIENTIFIC SESSIONS

- Nursing Education and Practice
- Nursing Teaching Strategies
- Nursing Examinations and Certifications
- Nursing Administration
- Nursing Practice and Research
- Midwifery and Women Health Nursing
- Nursing Leadership and Management
- Advanced Nursing Practice
- Evidence-Based Nursing
- Clinical Nursing
- Pediatric and Neonatal Nursing
- Surgical Nursing
- Adult Health Nursing
- Nursing Informatics
- Psychiatric and Mental Health Nursing
- Critical Care and Emergency Nursing
- Heart and Cardiovascular Nursing
- Community Health Nursing
- Occupational Health Nursing
- Legal Nurse and Practitioner
- Trauma and Critical Care
- Patient Safety
- Gastroenterology Nursing
- Oncology and Tumour Nursing

TARGET AUDIENCE

- Registered Nurses
- Nurse Practitioners
- Nurse Educators
- Nurse Administrators
- Clinical Nurse Specialists
- Nurse Managers
- Staff Nurses
- Nursing Students
- Healthcare Providers
- Professionals Related to Conference Sessions

TOP REASONS TO ATTEND

PRESENTING YOUR ORGANISATION’S WORK ON A GLOBAL STAGE
As a speaker you will be presenting to a room full of senior representatives from all over the world, each providing a different perspective from the sector. Your organization’s expertise and knowledge will be showcased to key players in the field of Nursing, Health care and will be a unique platform to increase your reputation within the sector.

NEW PLACES; NEW PEOPLE
Each time will be held at a different place, new and different people will attend. This can enlarge building collaborations and help you in developing new relationships.

LEARN FROM OTHER SPEAKERS
As a speaker you will be provided with free access to three days of the conference and associated workshops and will be given the opportunity to hear from other senior representatives from the sector and consider problems and solutions in the field of nursing, our numerous Q&A sessions and panel discussions.
DISCUSS AND OVERCOME ISSUES IN THE FIELD
This conference offers unrivalled opportunities to work with other key leading experts from the Universities and Hospitals to discuss the main challenges in the sector and to come together to produce strategies to find solutions to these problems.

COMPETITIVE ADVANTAGE
You’ll stand out if you’re a sponsor and your major competitors aren’t. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength and your commitment to healthy products.

LEADING A WORKSHOP
By leading one of the renowned Workshops, you will be presented with a perfect forum for an in-depth discussion and debate into a key issue. These sessions can vary in format from case-study-led debate with interactive breakout sessions to a presentation based discussion group on a topic that may need a particular in-depth focus.

NETWORK WITH KEY PLAYERS FROM THE SECTOR
This conference draw together leading specialists from Universities, Hospitals and industry, the academia to ensure a conference is a commercially productive event for all involved. Be it forging partnerships, finding customers or building collaborations. It is the one-stop for knowledge sharing and collaborations.

THE OPPORTUNITY TO COLLABORATE AND SPONSOR
While we determine our conference theme and flow, we invite our key sponsors to suggest potential speakers, Delegate and topics that might also enhance the program. That’s why it’s important to commit early to sponsorship, before the program is final.

CHAIRING
To increase your presence at the event, why not chair the event, a day, or a specific session to present yourself and your organization as one the leading players in a specific topic area? As a chair, you will work closely with us and our line-up of senior level speakers to ensure an event’s success.
Glimpses of Nursing Program

Ali H. Mokdad
University of Washington, USA
The global burden of disease: The status of in 188 countries, 1990-2013

Helen Riess
Harvard Medical School, USA
Professional empathy improves the patient experience and health outcomes while reducing costs: Evidence-based solutions

Julie M. Pullen
Montana State University, USA
A descriptive study of baccalaureate nursing students’ responses to suicide prevention education

Fredricka Gilje
Montana State University, USA
A descriptive study of baccalaureate nursing students’ responses to suicide prevention education

Su-Fen Cheng
National Taipei University of Nursing and Health Sciences, Taiwan
The effects of flipped classroom teaching strategies on self-directed learning in Pediatric Nursing course

Sandra Filice
Humber College, Canada
Determining clinical teacher pedagogical content knowledge: The Canadian experience

Beth Harkness
Children’s National Health System, USA
The chronicle of a nurses journey to translate new science into practice: Genetics & Genomics

Hung-Cheng Tai
Chang Gung University of Science and Technology, Taiwan
Applying technological pedagogical content knowledge model to develop a course for university nursing students in learning English for medical purposes and urinary tract infections knowledge

ChuehFen Lu
Chang Gung University of Science and Technology, Taiwan
The needs of learning on suicide nursing-a learner centered approach

Pazit Azuri
Tel Aviv-Yaffo Academic College, Israel
Communication patient-caregiver simulation (CPCS) in nursing program

Eman Fateel
Royal College of Surgeon in Ireland - Medical University of Bahrain, Bahrain
Learning approaches and experiences of student nurses following the introduction of eBooks into an undergraduate nursing programme in Bahrain

Meryem Yavuz van Giersbergen
University of Ege, Turkey
Nursing doctoral education in Turkey

Mary S. McCarthy
Madigan Army Medical Center, USA
An overview of the U.S. Army professional nursing workforce

Colonel (Dr.) Sara Brekenridge-Sproat
U.S. Army Regional Health Command Europe, USA
Overview of the patient caringtouch system: A nursing care re-design framework

Patricia A. Patrician
University of Alabama at Birmingham, USA
Determining inter-rater reliability of an innovation implementation checklist

Lori A. Loan
University of Alabama at Birmingham, USA
Evaluation of the patient caringtouch system

Tamar Jacob
Ariel University, Israel
Equality, accessibility and availability of physical therapy services in Israel- Perception of national directors

Lisbeth Kristiansen
Mid Sweden University, Sweden
Transitions in the Swedish school system and the impact on student’s positive self-reported-health

Malin Rising Holmstrom
Mid Sweden University, Sweden
Transitions in the Swedish school system and the impact on student’s positive self-reported-health

Emmanuela Nneamaka Ojukwu
University of Miami, USA
A concept analysis on lost to follow up in healthcare and research

Nancy M. H. Pontes
Rutgers University, School of Nursing-Camden, USA
The association between electronic bullying victimization and psychological distress among US adolescents
Eileen Savage  
University College Cork, Ireland  
Enabling primary care led services in Ireland towards integrated care for chronic disease prevention and management

Rupesh Kumar Pati  
Indian Institute of Management Kozhikode, India  
Sustainability in healthcare for Nation’s overall growth: In developing and underdeveloped countries

Maureen P. Cardoza  
New York Institute of Technology, USA  
Palliative care, hope and Advanced Illness Management (AIM)

Mary Jean Ohns  
Toledo Children's Hospital, USA  
Non-urgent use of the emergency department by pediatric patients: A theory guided approach for primary and acute care pediatric nurse practitioners

Halise Coskun  
Gulhane Military Medical Academy, Turkey  
Psychometric evaluation of the Turkish version of the Compassion of Others’ Lives Scale (The cool)

Marianne Reid  
University of the Free State, South Africa  
Development of a health dialogue model for patients with diabetes: A complex intervention in a low-/middle-income country (LMIC)

Chiharu Miyata  
Kyushu University, Japan  
Professionalism of nurses working in geriatric intermediate care facilities

Yunxian Zhou  
Zhejiang Chinese Medical University, China  
Development of a questionnaire to assess the quality of life in inflammatory bowel disease in Mainland China

Anjan Bhattacharya  
Apollo Gleneagles Hospital, India  
Proposed universal reporting system for sub-syndromal and sub-threshold ebd [emotional/ educational, behavioral & developmental] problems in children

Nuray Turan  
Istanbul University, Turkey  
Selection of site by nurses in intramuscular injection administration to adult patients: a cross-sectional study

Nesreen Mohamed Kamal Elden  
Abass NourEldenCairo University, Egypt  
Impact of mobilization of resources on family planning services utilization in a high priority rural population in Egypt

Walaa Ahmed Khairy Abdelgwad Mohamed Khedr  
Cairo University, Egypt  
NPC POPLINE: Developing the first online Egyptian population and reproductive health research database

Barbara Kegl  
University of Maribor, Slovenia  
Caring in the pediatric nursing in Slovenia

Donovan Jones  
The University of Newcastle, Australia  
Supporting student success through connecting and belonging by using “Link Lecturers”

Liidia Meel  
Tartu University, Estonia  
Assessing the context for best practices: Institutional setting for health care spiritual support in Estonia

Nurcan Ozyazicioglu  
Uludag University, Turkey  
Identification of hand dermatitis prevalence in nursing students

Yasemin Altinbas  
Adiyaman University, Turkey  
Investigation of pain managements in surgical patients

Ebru Ozturk Copur  
Hacettepe University, Turkey  
Using of solution focused brief therapy on bullying in schools

Glenn Ford D. Valdez  
Salalah Nursing Institute, Sultanate of Oman  
Filipino Nurse’s in the Diaspora: Contextualizing Workforce Diversity & Cultural Adaptability: A Middle Eastern Perspective

Ayla Irem Aydin  
Uludag University, Turkey  
Identification of nursing value of nursing students

Yuet Ying Wong  
The Open University of Hong Kong, Hong Kong  
Evidence-based protocol for managing feeding difficulties for residents with dementia

Gizem Gunes  
Adnan Menderes University, Turkey  
Discomfort during vaginal examination, history of abuse and posttraumatic stress disorders in women

Arzu Aslan  
University of Ege, Turkey  
Implementation status of the preoperative skin preparation in surgical clinics
Burcak Sahin Koze
University of Ege, Turkey
Investigation of preoperative fasting times of surgical patients

Hamide Nur Cevik
Ege University Faculty of Nursing, Turkey
Investigation of mothers' traditional attitudes and practices concerning putting the baby to sleep and their level of knowledge in Turkey

Endam Cetinkaya
Ege University Faculty of Nursing, Turkey
Investigation of the levels of quality of life and social support of pregnant women diagnosed with hyperemesis gravidarum

Hatice Simsek
Ege University Nursing Faculty, Turkey
Internalized stigma of tuberculosis patients

Chris King
University of Notre Dame, Australia
Promoting student belongingness: “Wanted” - The development, implementation and evaluation of a toolkit for nurses

J-D Wagner
University of South Africa, South Africa
Communication satisfaction of professional nurses working in selected Public Health Care services in the city of Johannesburg, South Africa

Naomi Lollback
Princess Alexandra Hospital, Australia
Specialist nurse led external cardioversion service at a tertiary cardiac center: A safe pair of hands?

Kamile Oner
Cankiri Karatekin University, Turkey
Depression, internet addiction and related factors in adolescents of high school students

Denise Allison D. Garcia
University of Santo Tomas, Philippines
Effectiveness of laughter yoga in reducing anxiety among pre-operative patients for scheduled major surgery

Emine Gercek
Adnan Menderes University, Turkey
The physical and psychological problems of pregnant women who have gestational diabetes and are on partial bed rest

Meryem Atak
Uludag University, Turkey
Palliative care of children with muscular dystrophy and nursery

Hale SezerEge
University-Faculty of Nursing, Turkey
Investigation of academician nurses organizational citizenship behaviors in Turkey

Mary Deo Luigi Mabunay
University of Santo Tomas, Philippines
The role of spiritual experience, gerotranscendence and social engagement on successful aging among incarcerated Filipino elderly: A Structural Equation Model (SEM)

Kamile Oner
Cankiri Karatekin University, Turkey
Loneliness and related factors in adolescents of high school students

Aysel Ozsaban
Istanbul University, Turkey
Resilience in nursing students: Effect of academic stress and social support

Nil Kucuk
Istanbul University, Turkey
Evaluation of the effect of obesity on self-respect and sexuality in women

Semra Surenler
Uludag University, Turkey
Effect of child health and diseases nursing class on nursing students in terms of children liking and empathetic tendency

Tolga Ozkaptan
Ankara University, Turkey
Healthcare system in Chile

Bilge Bal Ozkaptan
Sinop University School of Health, Turkey
The benefits of a control list for nurses used in daily patient follow up in intensive care: FAST HUGS with ICU

Werner Schuetze
Dialogische Praxis, Germany
Open dialogue as a contribution to a healthy society: Threat or Chance?

Priscilla Reddy
University of the Western Cape & Human Sciences Research Council, South Africa
Associations between education, continuous professional development and provision of quality obstetric care during labour and neonatal care among nurses and midwives in South Africa

Sheri Brynard
Lettie Fouche School, South Africa
Being the architect of your own destiny

Derya Adibelli
Akdeniz University, Turkey
Difficulties experienced by nurses in geriatric patient care

Ching-Min Chen
National Cheng Kung University, Taiwan
Perception of empowerment and practice in chronic disease management among public health nurses of Taiwan

ABOUT

The city of Zurich, a world center for banking and finance, lies at the north finish of Lake City in northern European nation. The picturesque lanes of the central Altstadt (Old Town), on either aspect of the Limmat stream, replicate its pre-medieval history. City district promenades just like the Limmatquai follow the stream toward the 17th-century Rathaus.

Zurich one in every of the foremost idyllic of Swiss cities-is additionally one in every of the largest. It’s encircled by spectacular nature and also the close Alps, engaging folks with their natural beauty. However these aren’t the sole reasons why it’s completely different from all the opposite Swiss cities.

Zurich town homes quite 12 Museums and a few of them area unit most famed like Kunsthaus Zürich, Swiss National repository, Rietberg Museum, repository of style etc.

Zurich is one in every of the most important lakes in Switzerland covering the realm of 88.66 sq. kilometers. Night view of the lake is incredibly fascinating; it attracts tourist from everywhere the globe.

The tower of St. Peter had been for hundreds of years Zürich’s ‘official native time’, and every one public town clocks had to adapt to that. The church clock of St. Peter has the most important tower face in Europe.

The zoological garden Zürich could be a zoological garden settled in Zürich, Switzerland and is taken into account together of the most effective zoos in Europe. Opened in 1929, it accumulated a set of 2,200 specimens of three hundred species by its 75th year. It’s settled on Zürichbergstrasse, on the lower reaches of the Zürichberg within the Fluntern quarter.

The Chinese Garden may be a Chinese garden within the Swiss town of Zürich. It’s a present from Zürich’s Chinese partner city Kunming, dedicated to the 3 friends of Winter.

The Garden’s major goal is to supply a scientific illustration of the world’s flora. At present, some 8,000 completely different styles of plants will be found on the grounds. The new installation was inbuilt 1976; the previous installation at Schanzengraben continues to be maintained as a public park.
